Office Memorandum • UNITED STATES GOVERNMENT

TO : Acting Chief, Finance Division

DATE: 19 July 1951

FROM : Assistant General Counsel

SUBJECT: Applications for Service Credit, Civil Service Retirement System

REF : Letter from Executive, CIA, to CSC, No. ER O-7981, dated 14 December 1959

1. Reference is made to your memorandum to this office, dated 28 May 1951, concerning the above subject. Pursuant to our telephone conversation, your memorandum, with the attachments, is being returned.

2. The initial designation of the undersigned in the reference letter was designed as a temporary expedient, with the view that the appropriate office of CIA would conduct the actual transactions with the Retirement Division of the Civil Service Commission. It is not believed within the scope of the responsibilities of this office to process the type of case concerned. It may well be that Personnel Division (C) will wish to handle this matter. For this reason, a copy of this memorandum will be forwarded to that Division.

3. For your information, the undersigned mentioned to Mr. Irons on 17 July 1951 that a new letter would be forthcoming, designating an appropriate official, together with some actual cases to be handled under the procedure.

4. If this office can be of further assistance, please advise.
